

Ameresco Inc., a cleantech integrator specialising in energy efficiency and renewable energy, has announced that Ameresco Energy Hellas S.A., a wholly-owned subsidiary of Ameresco Inc., and Sunel Group, an international developer and EPC contractor for energy projects, have been selected by Cero Generation, a European solar energy developer, as ...

"We are delighted to be partnering with Ameresco and Sunel Group on this landmark project. Against the backdrop of an ongoing energy crisis, we're helping to deliver cheaper, cleaner power across the country and ...

US energy efficiency and renewables company Ameresco Inc (NYSE:AMRC) and EPC contractor Sunel Group have agreed to jointly bid on 1.5 GWp of solar and energy storage projects in the United Kingdom, Greece, ...

"We are delighted to be partnering with Ameresco and Sunel Group on this landmark project. Against the backdrop of an ongoing energy crisis, we're helping to deliver cheaper, cleaner power across the country and supporting the government's ambitious transition goals.

The engineering, procurement and construction (EPC) activities will be carried out by a joint venture between the contractors, energy efficiency and renewables company Ameresco said on Tuesday. The latter will take part through its ...

"We are delighted to be partnering with Ameresco and Sunel Group on this landmark project. Against the backdrop of an ongoing energy crisis, we're helping to deliver cheaper, cleaner power across the country and supporting ...

By combining their expertise in engineering, procurement, construction, operation and maintenance of large-scale solar and battery energy storage projects, Ameresco and Sunel seek to offer solutions that provide added value to project investors.

Ameresco, Inc., a leading cleantech integrator specialising in energy efficiency and renewable energy, and Sunel Group, an international developer and EPC contractor for energy projects, have joined forces to bid projects exceeding 1.5 GWp in the UK, Greece, Italy, Spain, and Romania.

Ameresco, Inc. and Sunel Group have established Ameresco Energy Hellas S.A., which has already been selected by Cero Generation, a leading European solar energy developer, as the contractor for "Delfini", a 100 MWp solar photovoltaic (PV) project in Greece, currently in the construction phase.

"We are delighted to be partnering with Ameresco and Sunel Group on this landmark project. Against the backdrop of an ongoing energy crisis, we're helping to deliver cheaper, cleaner ...
