

Who are Auspac solar?

AusPac Solar are an Australian-owned solar energy retailer and Installer that prides itself on quality products, installations and customer service. We specialise in Semi Off-Grid Solar systems for the home and Solar Insurance Claims and Compliance. With AusPac Solar we help render homeowners energy-independent, with 0 reliance on the Grid.

What is the Auspac solar guarantee?

The AusPac Solar guarantee is that once you install your system you will receive ongoing support and maintenance from AusPac, and not the manufacturer of the system. You join our community and we work to help you save money with ongoing support and service. Think of us as your bespoke energy optimisation service, not just your Solar installer.

Why should you choose Auspac solar?

Solar energy is a clean and renewable source of energy that reduces our dependence on fossil fuels and helps to combat climate change, making it a responsible choice for the environment. Not sure who to trust? Why AusPac Solar? We don't sell solar, we don't sell electricity. and business across Australia. What to expect?

The AusPac Solar Roma "Power Hub" will act as your one-stop shop for all your Solar needs, in Residential and commercial products and systems. AusPac Solar offers tailored solutions to homes and businesses, and we offer this via a free consultation that goes through your energy needs and requirements to achieve your goals.
