

Does a shade greener offer free solar panels & fee?

Welcome! Hi, If you have taken up the 25 year lease, rent your above roof space to, A Shade Greener, for free solar panels & fee all you can use, then we are in common.

Can a shade greener lease a roof space for 25 years?

The Deeds were amended to Lease the roof space to 'A Shade Greener' for 25 years. I am well aware this can really complicate selling, with many mortgage companies unwilling to lend, and have found many worrying stories on this forum about ASG. Gulp.

Does Australia have a 'Greening our city' policy?

One jurisdiction in Australia that is committed to improving the level of greenery in our towns and cities is the New South Wales Government as part of the 'Greening our City' priority which aims to plant one million trees in Greater Sydney by 2022 and five million new trees by 2030.

Does Australia have a green infrastructure system?

While Singapore has a government system that can mandate this type of green infrastructure on a broad scale, the different levels of government in Australia pose a challenge to achieving consistent outcomes.

Australia's plan to reach net zero emissions by 2050 relies heavily on unproven technologies to sequester carbon from the atmosphere, among other things. But we already have solutions based in ...

Not sure what's happening then as A Shade Greener answered the vendors with all details required and also spoke directly to my solicitors. I know on the forum there was some posts on A Shade Greener where people couldn't contact them and someone posted another contact number. Sorry can't be of more help but I can't remember where other than I ...

In 2012, I was approached by a sales person from A Shade Greener, selling the idea of solar panels. I had been interested in learning more and they told me they fit solar panels free of charge, I get to use the electricity that's generated and they sell on what's left over. He said they don't rent my roof, just the airspace above it.
