Who owns Babcock electric?

The firm was acquired in August 1987 by FKI Electricals for £415 million. Lord King, Babcock chairman since 1972 (and also chairman of British Airways beginning in 1981), became chairman of the new combined company, called FKI Babcock. FKI Chairman Tony Gartland was the chief executive.

Where did Babcock & Wilcox come from?

Origins Babcock International Group PLC can trace its origins to the British offshoot of the American steam boiler manufacturer, Babcock & Wilcox Co. (Babcock & Wilcox is now a completely separate company.) George Herman Babcock and Stephen Wilcox formed Babcock & Wilcox Co. after introducing a design for a steam boiler in 1867.

Babcock Power delivers unmatched expertise across the energy spectrum with 10 strategically assembled business units, each serving a unique need for energy companies.
