

Unlike Los Angeles and New York City, the San Francisco Energy Audit is required to be reported every 5-years by non-residential buildings. There are two Energy Audit reports that need to be completed based on a building's square footage: ASHRAE Level I for building 10,000-49,000 sq. ft. and ASHRAE Level II for buildings 50,000+ sq.ft.

The bill had been sponsored by trade and advocacy group California Energy Storage Alliance (CESA) and authored by Assemblyman Phil Ting, a Democrat representing the 19 th Assembly District encompassing western San Francisco and parts of San Mateo County.. CESA warmly welcomed the bill's signing, saying that it would ease development barriers to ...
