

In season 1, episode 10, of Daredevil, there was a flashback of Matt and Foggy interning at Landman and Zack, a successful law firm that they were working at after they graduated law school, and Landman and Zack were representing the Roxxon Energy Corporation in a lawsuit.

Roxxon seemingly had the same history as its Earth-616 counterpart. Hoping to create an army of Super-Soldiers, Roxxon sent Mad-Dog to steal a vial of Terrigen Mist from the Temple of Randac. Mad-Dog was caught by Lockjaw ...

Roxxon Energy Corporation (também conhecida como Roxxon) é uma empresa de petróleo fictícia que aparece nas revistas em quadrinhos (banda desenhada em Portugal) americanas publicadas pela Marvel Comics. A empresa é mostrada como tendo sido administrada por vários proprietários. [1] Sua primeira aparição foi em Capitão América #180 (Dezembro de 1974). [2]

Roxxon's most notable moment in the Iron Man trilogy came at the end of Iron Man 3. In that movie, it was revealed that the Roxxon-owned Norco, the oil tanker responsible for the oil spill at the end of the movie, had been acquired by Aldrich Killian (Guy Pearce) to kill President Matthew Ellis. 2. Agent Carter. Roxxon also made appearances on the small screen ...

Roxxon's takeover of Marvel Comics kicks off with an event straight out of Al Ewing's IMMORTAL THOR. As confirmed in yesterday's report about what's happening with Thor during the Roxxon age, the evil mega ...

Dario Agger is a Greek entrepreneur, industrialist, media proprietor, and investor. He is best known as the CEO, and president of the multinational energy company Roxxon Energy. He secretly sold his soul [3] to be a literal Minotaur. [5] He is ...

ROXXON PRESENTS: THOR #1. Yesterday, the industry was shook when they learned that Roxxon Energy Corporation had bought out Marvel Comics! Their first order of business will be releasing an all-new Thor one-shot this April titled ROXXON PRESENTS: THOR #1, and they even got current IMMORTAL THOR scribe Al Ewing and superstar Marvel artist ...

It's official: the rights to Marvel Comics are now owned by the notoriously evil Roxxon Energy Corporation. The rights to the metafictional version of Marvel Comics that actually exists within the Marvel Universe, that is, which, much like the real world Marvel Comics, tells the tales of superheroes such as Spider-Man, the Fantastic Four, and of course Thor.

La Compa&#241;&#237;a Roxxon de Energ&#237;a (tambi&#233;n conocida como Roxxon, antes conocida como empresa Roxxon de Combustible) es el nombre de un conglomerado industrial de petr&#243;leo masivo ficticio en el Universo Marvel que aparece en los c&#243;mics estadounidenses publicados por Marvel Comics. Se describe a la compa&#241;&#237;a como dirigida por varios ejecutivos que ...

The Roxxon Energy Corporation is introduced in 1974's &quot;Captain America&quot; #180, with Steve Rogers (then known as the Nomad instead of Captain America) tasked with rescuing its CEO, Hugh Jones, from ...

The Marvel Cinematic Universe's Roxxon Oil Corporation is back in a big way. The mega conglomerate, which debuted in 2008's Iron Man, will return to menace the heroes of Freeform's upcoming Cloak & Dagger series. However, this is far from the first time the company has had a large presence in the MCU, though it does appear to be its most ominous role to date.

Roxxon Energy Corporation was introduced in 1974's Captain America #180, when Steve Rogers thwarted then-CEO Hugh Jones' kidnapping. Jones and Roxxon would subsequently become an overtly villainous company, serving as an antagonist in titles including Avengers, Iron Man, and Amazing Spider-Man, as well as many more over the years.

La Roxxon Energy Corporation (tambi&#233;n conocida como Roxxon Oil Company, Roxxon Oil Corporation, Roxxon Corporation o simplemente Roxxon) es un conglomerado industrial petrolero ficticio del Universo Marvel que aparece en los c&#243;mics estadounidenses publicados por Marvel Comics. La empresa es representada como dirigida por varios ejecutivos que normalmente ...

The Roxxon Energy Corporation, a.k.a. The Roxxon Oil Corporation, a.k.a. just Roxxon, is evil. Or at least, in the comic books, the mega-national corp is run by a man who can turn into a Minotaur, and is aiming to mine multiple dimensions to get rich. Which is pretty evil. But Roxxon Corp's MCU history is (relatively) more muted, even if ...
