RUNDI RWANDA, UGANDA, SOUTH SUDAN 60.4 COMESA ECCAS SADC The Democratic Republic of Congo (DRC) is Central Africa's largest country with a surface area comparable with Western Europe, and one of the world's most resourced countries.<sup>1</sup> As a primary producer, its economy is made up of agriculture, fishing, mining, forestry and the informal sector.

Why is mobilization needed in the Democratic Republic of the Congo?

Mobilization at the national, regional and international level are needed to support the Democratic Republic of the Congo (DRC) in the face of continued violence in the east, trafficking of natural resources, and other challenges, the UN Security Council heard on Monday.

Why is the Congo conflict a global problem?

The abundant natural resources--especially precious minerals--found in Congolese soil have globalized the conflict in eastern DRC. While U.S. companies once owned vast cobalt mines in the Congo, most were sold to Chinese companies during the Barack Obama and Donald Trump administrations.

Why did the Congo resent Mobutu?

Hutu militias who fled Kagame's rule to refugee camps in eastern DRC began to regroup to restore a Hutu government in Kigali. They launched attacks on Rwanda and also killed Tutsis inside the Congo. In response, Rwanda started to arm Tutsi militias inside the DRC. Across the DRC, many Congolese were resentful of Mobutu's corrupt rule.

A teeming city of at least 12 million people, the capital of the Democratic Republic of Congo is notorious for heaps of garbage and rivers choked by plastic bottles. So much so that its nickname "Kin the beautiful" has turned to "Kin the trash can". The Congo River is vital for the survival of people in DRC's capital Kinshasa.
