

UNDP Tanzania has recently celebrated the expanding influence of sustainable energy by installing a hybrid solar power system at United Nations House in Dar es Salaam. This move towards renewable energy is reaffirming UNDP's role in spearheading the UN's Sustainable Energy for All (SE4ALL) initiative and Sustainable Development Goals (SGDs).

We design, procure, install, maintain & operate tailor-made solar solutions for both residential & commercial clients across Tanzania. We are also a Renewable Energy Components Distribution Company, providing genuine products from reputable manufacturers across the globe.

Simusolar provides and finances accessible, affordable, and energy-efficient solar equipment designed for off-grid businesses in Sub-Saharan Africa. Mwanza: Solargrid Tanzania: SolarGrid, a Tanzanian company, offers off-grid solar power products and a micro loan program in the form of a pay-as-you-go mobile plan.

Abundant energy straight from the sky. Solar power is the most logical choice for your electricity needs. Power Providers installs high-quality solar systems with attention to detail. Most of the power systems installed by Power Providers are "off-grid" and include a solar-array and inverter combined with battery storage.

#1 Solar Energy Company in Tanzania. Waka Energy focuses on helping businesses reduce energy costs and improving their power reliability through customized solar power, energy storage and energy monitoring solutions.

We specialize in delivering end-to-end solutions for solar energy projects, from the initial concept to final commissioning. Whether ground-mounted or rooftop PV systems, ENSOL provides tailored solutions to meet the unique needs of residential, commercial, and government clients.

In Tanzania the national grid supplies electricity to 12% of the nation's population, the majority of this supply being in urban areas. 75% of Tanzanian grid power is generated from large hydro sources the reliability of which is wholly dependent upon widely fluctuating rainfall patterns.
