Does Euroenergy have a European presence?

The latest projects increase the company's European presence by adding Poland to Greece,Romania,and Croatia. This new venture also expands the footprint of EuroEnergy's parent company,Libra Group,which has multiple renewable energy subsidiaries across North America,Latin America and Europe.

Why should you choose Euro Energy Group?

Designed to improve air quality while enhancing energy efficiency, our ventilation solutions ensure a healthier living environment for you and your loved ones. At Euro Energy Group, we believe in making a difference--one retrofit at a time. Our team

Is Euroenergy partnering with AFCON?

Theofanis Mermigkousis,CEO of EuroEnergy,further commented," This partnership with such a like-minded and forward-thinking team as Afcon's will only grow stronger in the future,both in Poland and other geographies.

The partnership between Afcon and EuroEnergy has the potential of expansion across the Central Europe region with a broad spectrum of renewable energy investments, including wind, PV, and battery storage. The deal marks an important milestone for EuroEnergy, geographically diversifying its portfolio as well as growing its asset base.
