Terrasmart, the renewable energy portfolio of Gibraltar (NASDAQ: ROCK), is a leading provider of solar racking technologies, electrical balance-of-system products, installation services, and project optimization software.

Renewable energy and infrastructure markets investor Gibraltar Industries (NASDAQ:ROCK) has acquired solar racking technology specialist TerraSmart and solar software solutions provider Sunfig. The move is in line with Gibraltar's aspirations for expanding its solar energy portfolio, the company said on Monday.

The demand for renewable forms of energy, such as solar, has never been greater. Our technology enables customers and utilities to harness energy efficiently-- wherever they choose to build. We are expanding the possibilities of what solar can be and helping contribute to a more responsible and energy-independent future.
