

PTT PCL, Thailand's biggest oil and gas conglomerate, confirmed it would join energy thirsty China and India in a race to buy natural gas from Myanmar's offshore A-1 Block. "We are interested wherever there is gas," said PTT's gas business chief Chitrapongse Kwangsukstith, confirming a report by the Myanmar Times, an English-language weekly.

The energy industry was spared as a target of such suits until a California-based Unocal Corp. partnered with the Myanmar government to develop and transport natural gas. In 1992, Unocal (now owned by Chevron) and a subsidiary acquired an interest in a gas exploration project off the coast of Myanmar (Burma), a nation with a long, well-known ...
