Who founded energia?

Energia was established by co-founders Chris Sattler and Mike Silvestrini, a pair of childhood friends, each of whom had independently launched and exited energy companies. United by a shared vision, they aimed to harness the untapped potential of everyday retail investors to fuel low-carbon infrastructure.

Who owns energia energy?

The company's impressive track record led to its acquisition by the largest energy generation asset owner in North America. As the Co-Founder and Managing Partner of Energia, Chris has been instrumental in driving the company's initiatives in Brazil, utilizing his exceptional deal-sourcing abilities.

Who is energia & what does he do?

Chris is a visionary leader with a strong focus on retail energy product design, driven to improve the quality, price, and environmental impact of global energy markets. Before co-founding Energia, he established North American Power, a renowned deregulated energy supply business that successfully served over 1,000,000 customers.

Is energia a good investment platform?

Affordable way to invest with renewable energy. Energia is a phenomenal platform (with rumors of an app on the way too) and it allows me to invest in solar projects without being an accredited investor. The dashboard is very straightforward, showing return on \$invested, energy produced to date and expected lifetime energy production.

Does energia sell personal information?

Energia does not in any way sell personal information. In compliance with the California Consumer Compliancy Act (CCPA) you may request to retrieve or delete any data that we have collected about you by filling out this form. ©2024 Energia. All Rights Reserved. Energia--the leading renewable energy investing platform.
