How do the Cocos (Keeling) Islands communicate?

The Cocos (Keeling) Islands have access to a range of modern communication services. Digital television stations are broadcast from Western Australia via satellite. A local radio station, 6CKI - Voice of the Cocos (Keeling) Islands, is staffed by community volunteers and provides some local content.

Why are the Cocos Islands called the Keeling Islands?

The territory's dual name (official since the islands' incorporation into Australia in 1955) reflects that the islands have historically been known as either the Cocos Islands or the Keeling Islands. The territory consists of two atolls made up of 27 coral islands, of which only two - West Island and Home Island - are inhabited.

If going with the flow is how you roll, you will love the Cocos Keeling Islands. They have a small - very small - country town vibe. Your activities revolve around the exquisite lagoon whether they be snorkelling, diving, fishing, parasailing, or just relaxing under a coconut palm reading a book while inhaling the frangipani infused air

The archipelago was discovered in 1609 by Captain William Keeling of the East India Company, on a return voyage from the East Indies. North Keeling was sketched by Ekeberg, a Swedish captain, in 1749, showing the presence of coconut palms. It also appears on a 1789 chart produced by British hydrographer Alexander
