

What is rooftop solar programme in Uttar Pradesh?

Households in Uttar Pradesh have the opportunity to reduce solar panel system prices and enjoy the benefits of free electricity. Under the Rooftop Solar Programme Phase II scheme, residential consumers are eligible to receive Central Financial Assistance (CFA) or Solar Subsidy Support based on the size of their system.

Can a 5kw Solar System be subsidized in India?

Subsidy: Solar subsidies can reduce the price of your 5kW solar system in India. However, homeowners getting on-grid and hybrid solar systems (excluding the cost of solar batteries) are eligible for solar subsidies. There is no subsidy for off-grid solar systems.

How much solar subsidy does Uttar Pradesh offer?

A: In Uttar Pradesh, the government offers an additional INR30,000 subsidy for solar systems ranging from 2kW to 10kW. For a 3kW grid-connected solar installation, residents can receive a total subsidy of INR1,08,000. The application process for both central and state subsidies is the same.

What is a 5kw Solar System?

A 5kw solar system reduces your monthly utility bills, which accumulate to significant savings over a year and through to the 25+ years of lifespan of your solar panel system. Your solar panels will generate an enormous amount of solar electricity to power your home throughout the year, reducing your grid electricity withdrawals.

How to apply for rooftop solar subsidy in Uttar Pradesh?

To apply for a subsidy under the Rooftop Solar Programme in Uttar Pradesh, follow these steps: Register on the National Portal for Rooftop Solar: Create an account on the official online portal for solar subsidy applications. Apply for Rooftop Solar: Log into your account and submit the application for the solar system subsidy.

Which Solar System is best in India?

An on-grid framework is by far the best deal for budget-conscious homeowners looking for an affordable 5kW solar system in India. Solar batteries are the second most costly component in any home solar system after the indispensable solar panels.
