

Is sermatec a first-tier energy storage manufacturer?

SHANGHAI,March 7,2024 /PRNewswire/-- Shanghai Sermatec Energy Technology Co.,Ltd. ("SERMATEC"),an industry-leading energy digital intelligence operator and energy storage system solution provider,has earned a place on the Bloomberg New Energy Finance (BNEF) Tier 1 list Q1 2024 as a first-tier energy storage manufacturer.

What is sermatec energy storage?

It is a global energy storage system TIER 1 enterprise. Focusing on the mission of "digital intelligence green energy,empowering a better life",Sermatec focuses on the research and development of energy storage technology in order to improve the safety and stability of energy storage systems,and provides comprehensive energy storage solutions.

Where is sermatec exhibiting its commercial energy storage solutions?

In January and February,SERMATEC exhibited its commercial energy storage solutions at the Open Energies in France and ENEX in Poland,with future plans to connect with customers and industry experts at leading trade shows including Intersolar Europe in Germany,RE+in the U.S .,a nd Solar &Storage Philippines.

What does sermatec do?

As a widely recognized industry leader, SERMATEC is dedicated to environmental stewardship and sustainability, promoting low-carbon and green development, and creating a clean energy future. "I am very proud of what SERMATEC has accomplished thus far and I have full confidence in our team to achieve greater success.
