

Who is everexceed industrial company?

Established UK company. Established Shenzhen EverExceed Industrial Co., LTD and set it as the headquarters. Attained ISO 9001 and 14001 certificates. New generation industrial charger was developed successfully and obtained a number of patent certificates. Set up industrial power plant. Data Center solutions began to be on sale.

Where is everexceed located?

Section A, Floor 19, Senhainuo Kechuang Building, DeZheng Road No.5, Shilong Community, Shiyan, Bao'an District, Shenzhen, China. As a high-tech enterprise and specialized & sophisticated SMEs, EverExceed focuses on the R&D, production and marketing of energy storage systems, renewable energy and lithium batteries, etc for energy storage systems.

Who is everexceed import & export company?

Established Shenzhen EverExceed Import & Export Co., LTD. EverExceed passed the National High-tech enterprise. EverExceed set up the second industrial power plant. OUR PARTNERS EverExceed has a strong partnership with many giant customers all around the world, including Vodafone, Telefonica, GE, ABB, Siemens and Huawei.

Who is everexceed UK R&D?

EverExceed UK R&D continuously developing the lithium technology for more than decades to make devising innovative solutions to utilize the technology in widespread industries including wall mounted lithium battery, rack mount lithium battery, telecom battery, solar lithium battery, UPS lithium battery, motive lithium battery solution.

What does everexceed do?

EverExceed actively explores and discovers a new world with ever-growing energy and solutions. EverExceed offers industrial battery chargers and DC power systems that use the latest 6 pulse & 12 pulse IGBT technology offering high input PF and greater efficiency.

Who are everexceed's partners?

OUR PARTNERS EverExceed has a strong partnership with many giant customers all around the world, including Vodafone, Telefonica, GE, ABB, Siemens and Huawei. Our products have been widely used in many industrial sectors such as Banks, petroleum, petrochemical, energy, power grid, telecommunication, medical treatment, education and transportation.

EverExceed is a global leading manufacturer of customized industrial battery charger too; We can offer More flexible, More reliable, More affordable industrial battery chargers for lead acid batteries, nickel cadmium

batteries and lithium batteries. Our ...

Our products were sold well in more than 100 countries and widely used in telecommunication, renewable energy, electricity, industrial sectors such as oil and gas, petrochemical, mining, refinery, transport etc. and commercial sectors.

EverExceed provides the most comprehensive range of industrial batteries, Uninterruptible Power Supply and power protection equipment. EverExceed now offers large, medium and small sealed Valve Regulated Lead Acid batteries in both absorbent glass mat (AGM) and gelled electrolyte technologies, flooded lead acid batteries, in addition to a full ...

EverExceed Industrial Co.,Ltd focuses on industrial power products for many years. We offer lithium battery,lead acid battery,modular UPS,rectifier battery charger,smart cabinet. We supply worldwide reliable power solutions with continuous innovative technologies.

We specialize in the development, production, and sales of industrial batteries (including lithium-ion, lead acid, NiCd), energy storage solutions and critical power solutions (industrial battery chargers, industrial UPS, inverters ) for telecom, utilities, oil & gas, petrochemical, renewable energy, residential, commercial and industrial ...
