

Who is Miale solar?

With over a decade of experience, Miale Solar has become a leader in providing solar solutions tailored to businesses and institutions. From installation to maintenance, we ensure top-quality service with minimal disruption. Our team of experts works closely with you to design the most efficient solar system, backed by cutting-edge technology.

How do I contact Miale solar?

Contact Miale Solar for assistance. Would you like to chat to one of our team over the phone? You can also email us if you would prefer. Phone +254 758 462 135 between 08:00 and 18:00 Monday to Friday -- we would be delighted to have one of our experts explain the benefits of utilizing our services.

How does Miale solar help organizations achieve sustainability goals?

Through customized strategies, we support organizations in achieving their sustainability goals, reducing their carbon footprint, and enhancing long-term profitability. Miale Solar pioneers innovation in solar energy by enabling seamless access to sustainable solutions across Kenya and Africa.

Why should you choose Miale solar?

With a deep understanding of energy needs, Miale Solar delivers cutting-edge solar technology, competitive financing options, and unmatched expertise. We reduce operational costs, foster sustainability, and enhance energy resilience--driving long-term success for businesses.

Miale specializes in the procurement, construction, and financing of solar PV systems ranging from 50kWp to 10MWp in size, and have the experience and expertise to help you make the switch to solar energy.

At Miale Solar, we are driven by a mission to make clean, renewable energy accessible and affordable for all. With expertise in the procurement, construction, and financing of solar PV systems ranging from 50kWp to 10MWp, we design solutions tailored to meet your specific energy needs and budget.

With a deep understanding of energy needs, Miale Solar delivers cutting-edge solar technology, competitive financing options, and unmatched expertise. We reduce operational costs, foster sustainability, and enhance energy resilience--driving long-term success for businesses.

We provide strategic guidance, project development, and investment advisory services in the renewable energy sector. Our flagship entity, Miale Solar Shop, offering last-mile distribution of solar products, empowers farmers, businesses, and communities with clean, reliable, and cost-effective solar solutions for a greener future.

The Miale Solar team comprises a group of passionate and experienced professionals dedicated to

revolutionizing energy access through solar power. Our team includes certified engineers, project managers, and technical specialists who bring expertise in solar energy design, installation, and maintenance.

The latest Tweets from Miale Solar Inventions (@MialeSolar). Miale Solar Inventions deals with solar energy. We are primarily interested in clients with monthly electricity use of more than 30 000 kWh (0.5M ksh)

Miale Solar's Operations & Maintenance (O& M) services ensure peak solar system performance with scheduled inspections, real-time monitoring, and rapid repairs. Our predictive maintenance and advanced diagnostics maximize energy output, system lifespan, and investment returns.
