

Phee Central Limited (PCL) offers three types of cold storage in Myanmar. There are three separate freezer chambers with independent temperature control which have a total capacity of 1300 square feet per chamber and a total of 160 ...

UNHCR has storage space attached to the office with relief items prepositioned for 50 to 60 households (mainly tents, tarpaulin, mosquito nets, blankets). The warehouse of Myanmar Red Cross Society is located at Taw Ywa Kyaung ward and it is used to store non-food items such as family kits and hygiene kits.

Today, we are going to discuss about a brand new topic: Myanmar datacenters and cloud providers. As of today, hosting content in country is not the common rule in Myanmar. Most of the companies rely on Singapore for hosting both their data and computing capabilities.

Phee Central Limited (PCL) offers three types of cold storage in Myanmar. There are three separate freezer chambers with independent temperature control which have a total capacity of 1300 square feet per chamber and a total of 160 pallets can be stored in each chamber.
