Secondly, this is madness. The average person can't be expected to manage all this, the odds of being scammed are through the (solar) roof. I think most people just won't bother and they'll just get solar panels when the house they buy come with them. This whole thing seems 3-5 years away from being a mature setup.

Topsolar au Luxembourg est depuis plus de 20 ans un sp cialiste comp tent dans les  nergies alternatives, qu'il s'agisse de photovolta que, d' nergie solaire thermique ou d'eau de pluie.
