The State Department says the agreement will help improve security cooperation, enhance ...

The currency used in Papua New Guinea. The best currency to use in Papua New Guinea is the Kina. It's represented by the international code PGK and the symbol K. As with the Aussie dollar, the Kina is made up of 100 cents (also known as 100 toea) and comprises a mixture of banknotes and coins. Kina banknotes come as K2, K5, K10, K20, and K50 ...

Papua New Guinea (PNG) is one of the few megadiversity nations in the world. It's essentially an ancient species engine and hosts world-relevant populations of wildlife and plants, with a co-evolved human society for over 47,000 years. Many of the species...

We developed a probabilistic seismic hazard map of Papua New Guinea expressed in terms of peak ground acceleration with return period of 475 years. The calculations were performed for bedrock site conditions ($V_{s30} = 760$ m/s). A logic-tree framework was applied to include epistemic uncertainty in the seismic source as well as ground motion modelling ...

There are many great books about Papua New Guinea, including great fiction as well as non-fiction. An excellent book for the general reader about Papua New Guinea is Sean Dorney's Papua New Guinea: People, Politics, and History Since 1975. The third edition is the best, but it is pretty hard to find outside of Australia (and is not that easy to ...
