

Can solar energy replace fossil fuels on Pitcairn Island?

Pitcairn's authorities have launched a renewable energy project designed to replace fossil fuels with solar energy. The goal is to replace 95% of the current diesel consumption on Pitcairn Island (75,000 liters per year) with a combination of energy saving and solar electricity through the installation of a hybrid photovoltaic solar energy system.

Are the Pitcairn Islands Green?

Pitcairn Islands, a group of five islands with a total area of 47 km² and which constitute one of the most remote archipelagos in the world, turn to safer, greener energies that best meet the needs of the population. Pitcairn's authorities have launched a renewable energy project designed to replace fossil fuels with solar energy.

Is Savosolar still a company?

The Savosolar name will remain in use by the new company as an auxiliary business name and as a well-known and respected high-class brand in the solar thermal market. Savosolar's solar thermal business will be part of Meriaura Energy's renewable energy business.

What happened to Savosolar Oyj?

Savosolar changes its name to Meriaura Group and sells its solar thermal business to its subsidiary Meriaura Energy. As decided in Savosolar Plc's Annual General Meeting on 12.5.2023, the name of Savosolar Oyj will change to Meriaura Group Oyj, Meriaura Group Abp in Swedish and Meriaura Group Plc in English.

Is Savosolar acquiring Meriaura Oy and Biolaite Oy?

The company description concerns the share exchange through which Savosolar Plc plans to acquire all the shares in Meriaura Oy and its fully owned subsidiary Biolaite Oy (name change to VG-EcoFuel Oy pending). Savosolar with its highly efficient collectors and large-scale solar thermal systems has taken solar thermal technology to the next level.

What does the new corporate structure mean for Savosolar?

The renewed corporate structure clarifies the Group's administration and business operations as a whole. As of 1.6.2023, Savosolar's entire personnel will transfer to Meriaura Energy as existing employees, with the exception of the Group's CEO, CFO and administrative assistant, who will remain in the service of the parent company.
