

Who is Renesys energy Italia Srl?

Manz AG, a global high-tech engineering company with a comprehensive technology portfolio, has acquired ReneSys Energy Italia Srl, a provider of next-generation battery cell technology, as a new customer. The company, headquartered in Italy, has now placed an order as part of a strategic partnership with a total volume of around EUR 25 million.

How will Renesys energy Italia Srl impact revenues and earnings in 2023?

The order will have an impact on revenues and earnings in fiscal years 2023 and 2024. ReneSys Energy Italia Srl has set itself the task of driving the energy transition worldwide by providing modular production lines for the manufacture of lithium-ion battery cells, thus enabling a local supply of energy storage systems.

Who is Renesys energy?

ReneSys ENERGY INC. ReneSys ENERGY Inc. stands at the innovation frontier, mastering advanced battery cell manufacturing technology to secure a greener tomorrow. Our signature "blueprinted copy-paste" engineered factory design ensures consistent and rapid global deployment, fostering the energy transition with locally manufactured products.

Does Renesys energy support Ukraine?

ReneSys ENERGY has pledged to support Ukrainesince the beginning of the full-scale war on the 24th of February 2022. We provided assistance and support to local authorities, partners and NGOs and will continue to do so till the end of the unlawful invasion. Slava Ukraini! Contact Us I accept the terms of processing of my data Thank you!
