

Will Belize Electricity compensate you for excess solar energy?

The hope is that through regulations, Belize Electricity Ltd will have to compensate you for excess solar energy flowing to the grid during the day and off-set it against the electricity you are drawing from the grid at night; however, the reality today is the opposite.

Who is Sun's Electric?

Sun's Electric, with over 18 years experience offers design, installation, monitoring, maintenance, and repair of grid tied and off grid solar PV systems by a licensed electrician. In Belize from a concept to a reality, our solar electrical systems are designed and backed by 18 years of industry experience.

Who is pro solar engineering?

Pro Solar Engineering is the only company in Belizeto offer all 3 major renewable energy sources-solar,wind and hydro power,including hybrid systems. Packages are designed to offer you a cost-effective and efficient solution for your off-grid and grid-tie living needs.

Who installs the Orange Gallery Solar System?

We (The Orange Gallery) were the first official grid-tied system in Belize. Our system was installed by SESB and we have been powering our operations with free energy from the Sun for a few years now. We love it and are happy to recommend SESB!" Which solar system is right for me?

Does SESB offer solar air conditioners?

With an SESB grid-tie solar system all your household appliances,including your air conditioner,are powered by solar during the day. SESB does notprovide solar powered air conditioners. Will it make sense to disconnect from BEL grid and go completely solar off-grid?
