For a free assessment of your house or company please send a request to the following e-mail address [i.martinus@gsaruba](mailto:i.martinus@gsaruba)

Over a decade ago, Aruba moved toward renewable energy by allowing homes and businesses to install solar panels and connect them to the national grid. Elmar, the island's utility company, placed a cap--10 kW for residential and 100 kW for commercial installations--to manage growth without overloading the grid.
