Solar+Storage NX is a landmark event that brings together international energy investors, project developers, consumers, suppliers, government decision-makers, and the energy sector in the same network. Held at Tüyap Fair and Convention Centre in Istanbul, Turkey, the event will take place bet... See more

Solar+Storage NX, the meeting point of international energy investors, aims to contribute to the development of solar energy and energy storage solutions and technologies, and to be an intermediary for our nation to shoulder its responsibility in combating climate change and reducing its carbon footprint.

Solar+Storage NX, the meeting point of international energy investors, aims to contribute to the development of solar energy and energy storage solutions and technologies, and to be an intermediary for our nation to shoulder its responsibility in combating climate change and reducing its carbon footprint. The fair, which steers the sector ...

Solar+Storage NX 2023, held from August 31 to September 2 at the TÜYAP Fair and Congress Center in Istanbul, marked a new era in the renewable energy sector. Supported by GENSED, this event was a significant platform for industry leaders, innovators, and decision-makers to explore and discuss the future of solar energy and energy storage.

The technical conference topics, which are determined under five main headings: solar+HUB, storage+HUB, decarb+HUB, business+HUB and digi+HUB, will encourage the use of solar energy and storage and will ensure that promotional activities are brought to the agenda.
