At Solar Solution, our mission is to revolutionize the way energy is harnessed and utilized by providing sustainable and reliable solar solutions. We are committed to driving the transition to clean, renewable energy sources in South Africa and beyond, making a significant impact on the environment and the lives of people.

Ek is so beindruk met die diens van Glen en Amelia van Solar Solutions. Maak nie saak wanneer Jy hulle bel nie hulle sal "n plan maak. Ons het ons swembad verhit met die sonpaneel en hulle Diens was perfek. Die werkers het my gehelp om tuin toerusting te skuif met 'n glimlag al was dit Nie deel van hulle werk nie. Tien uit Tien vir goeie diens.

We provide skilled services by assisting our customers with solar solutions for their home and offices. We install solar systems and will upgrade the one you already have. We also offer maintenance to your existing system and will suggest solar enhancements and repairs to ensure your system runs efficiently.

Solar Solutions was established in 1999 by using renewable energy solutions technology. We are harnessing, reducing, cooling and lighting residential and commercial premises by going green that will not only go easy on the planet, but will go easy on your wallet, too.
