Los paneles Sunshine Solar son ideales para mantener recargadas las baterías de 12V. Los paneles solares son adecuados para una amplia gama de aplicaciones, sin embargo, los usos más comunes de nuestro panel solar de 150 vatios incluyen complementar la energía de la batería de ocio en caravanas, casas rurales, etc.

We installed Solar panels from Sunshine Solar on Long Island. It worked for awhile but now there is no hot water coming out of the outlets even on the sunniest, hottest day.<br /&gt; The water is the same temperature without the solar panels. And support is a joke. First off when they winterize your system for

Vanuatu is an archipelago consisting of 82 islands, with 65 inhabited. With the remoteness of the islands and limited access to centralised utilities, PCS also offers self supporting products suitable for the Vanuatu environment, including solar showers, hand spears, personal solar lighting and Lifestraw water filters.
