Who were the speakers at the Trinidad & Tobago Conference?

Also speaking at the event were David Campbell, President of bp Trinidad and Tobago and Eugene Okpere, Senior Vice President and Country Chair of Shell Trinidad and Tobago, The Minister of Public Utilities Marvin Gonzales and Chairman of T&TEC, Romney Thomas.

Trinidad and Tobago's electricity generation is completely fired by fuel, but only 8% of its natural gas output is channelled to electricity generation. Directing the gas to its power stations deprives the country of potential revenues that could be gained from selling liquefied natural gas (LNG) as feedstock, especially given that only one of
