

Sun Path recommends Type 8 risers for container sizes J5K and up. Type 17 (1" wide) w/ Mini 3-Ring Release. ... Sun Path recommends Type 8 risers for container sizes J5K and up. Type 17 (1" wide) w/ Mini 3-Ring Release. Type 8 (2" wide) with Large 3-Ring Release. Dive Loops? X.

Sun Path Products was one of the first harness container manufacturers to offer stainless steel hardware as a standard feature. The decision to stock only stainless steel hardware was twofold. 1. End the chance of hardware wearing out and 2. Reduce the wear on the harness itself. All Sun Path products are manufactured with stainless steel hardware.

After more than a year of testing, the engineers at Sun Path Products Inc, are proud to release the Javelin &quot;Odyssey&quot; harness/container system.
