

Umbrella with built-in solar power generation

What is a solar lighted umbrella?

Made with 100% polyester fabric, the canopy of this umbrella features water repellent, fade resistant, and sun protection properties. This 9 feet solar-powered LED lighted umbrella includes 32 LED lights that draw power from the sunlight, allowing you to turn them on at night to build a relaxing atmosphere.

How do I choose a solar powered patio umbrella?

You can as well choose a brighter or dimmer setup by selecting the right number of LED lights. The Sundale Outdoor 10 ft Solar Powered Patio Umbrella, for instance, may provide more light than options like the Sunnyglade 9 Ft Solar 24 LED Lighted Patio Umbrella. This is due to the latter having fewer LED lights in its setup.

What can you do with a solar panel above a garden umbrella?

Thanks to the solar panel above the garden umbrella, you can turn on the LED lights on the ribs and enjoy a magical atmosphere on your balcony. Dinner with your better half? Waiting until midnight to celebrate your birthday? With this umbrella equipped with LED lights, the atmosphere lights up!

How big is a solar umbrella?

This umbrella is 9 feet wide and can cover a lot of ground. So, you can relax with your family and friends without the UV rays bothering you. Ideal for any patio or garden, you can fit a 48-inch table under it. There are efficient LED lights and a powerful solar panel embedded. So, it offers you non-stop lighting.

Why should you buy a solar umbrella with LED lights?

With this umbrella equipped with LED lights, the atmosphere lights up! UPF 50+UV Resistance: The 180 g/m² polyester canopy featuring excellent UV resistance up to UPF 50+ provides ideal sun shade for your sun chair or table set in the garden, so you can relax in the fresh air with zero worry.

How many lights does a solar umbrella have?

As each rib of this amazing solar umbrella consists of 4 LEDs, the 32 lights together brighten up any patio or yard. These solar-powered lights offer a warm glow, creating a cozy atmosphere for you to de-stress. You can adjust the pole up or down and tilt it to the side if you need some shade.
