

Safest & Long Life-span Lithium LFP Battery; High Energy Density; Modular Design & Scalable; Indoor/Outdoor Rated; Multi-parallel Configuration (up to 10 clusters PLHB Series) Great Compatibility (main-stream inverter brands) Real-time Remote Monitoring; Black Out and Emergency Back-up; Black Start

The DC Home Storage Battery 51.2V/5.12kWh by UZ Energy is a cutting-edge energy storage solution designed to meet the demands of modern homes. This advanced battery system provides a dependable and efficient way to store energy, ensuring you can access power when needed.

With a comprehensive portfolio of products, solutions and services, UZ Energy promises the optimized performance, reliability and return on investment of energy storage installation, from residential-scale facility to grid-scale power plants.

With a comprehensive portfolio of products, solutions and services, UZ Energy promises the optimized performance, reliability and return on investment of energy storage installation, from residential-scale facility to grid ...

Our low-voltage Power Lite Series is a safe and scalable LFP battery solution. Power Lite is based on a compact single unit that measures 3U in height in the standard configuration. The design allows for multi-parallel configurations (up to 16 units).
