

Where can I find the master key to the locker

Can I order a Master Lock without a key number?

No. Without the key number, there is no way for Master Lock to know which key will open your lock. There is not a master key that will open all Master Lock products. Can I order a new Master Lock lock that will work with my existing key? Most lock models have an option to match an existing key when ordering new locks.

How do I find my master key?

Just type in your key number to the search bar, and find the master key in the related products. If you can't find your master key, just take a good photo of the existing key, or the lock face if the key is missing and email that to sales@lockdoctor.biz. Click [here](#) to browse our full range of master keys.

Can I get a master key next day?

As long as you have mastered locks, we should be able to supply master keys next day. Just type in your key number to the search bar, and find the master key in the related products. If you can't find your master key, just take a good photo of the existing key, or the lock face if the key is missing and email that to sales@lockdoctor.biz.

How do I contact Master Lock?

Ask them to contact us on your behalf. US distributors can call 1-800-308-9244. Canadian distributors can call 1-800-227-9599. Please note that although Master Lock does not charge for this service, the retailer may charge a fee. Submit a Lost Combination Form Find your lock's serial number. Print out the Lost Combination Form (PDF).

Can I sell a master key?

Master keys are a restricted item so can only be sold alongside the corresponding locks, if you are a previous customer who has purchased these locks or to schools, NHS or government bodies. Proof of ownership may be required. You can find all of our master keys below or if you need further assistance, you can contact our friendly team.

How do I retrieve my Master Lock combination?

A store associate at the customer service desk will be able to call the Master Lock Customer Service line at 1 (800)308-9244 to retrieve your combination for you. It's important to note that Master Lock will not release combinations to anybody other than authorized employees who can vouch that your lock is in hand, present, and free standing.
