The South Atlantic island of South Georgia, situated south of the Antarctic Convergence, was the first Antarctic territory to be discovered. [1] It was first visited in 1675 by Antoine de la Roche, an English merchant born in London to a French father. [2] He left Hamburg in 1674 as a passenger on a 350-ton vessel bound for Peru. [3] During the return journey, it was en route to Salvador in ...
